Absence Policy

Three unexcused absences may result in removal from the program, loss of riding time in current riding session, and loss of active rider status. An unexcused absence is one which no phone call was made prior to lesson start time to notify staff. In extreme emergency, a call after the fact will be accepted. Emails are not acceptable.

Once removed from the program, a rider will have to apply to the wait list and wait for a spot to become available.

I have read and understand this absence policy.
